German Imaging Technologies (GIT) is awarded as Asia's Greatest Brands and Greatest Leaders 2016-2017.

German Imaging Technologies, the leading printing document solutions provider in the Middle East and Africa, is humbled to receive a double award, as “Greatest Brand 2016-17” and as “Greatest Leader 2016-17”. “

“Record sales in Q4 2016 and Q1 2017 are a direct result of our brand development and recognition in the market, as the leading document printing solution provider. We continue to execute on our vision by adding continuously more value to our customers’ relations” declared Dr. Sassan-Dieter Khatib Shahidi, CEO and founder of German Imaging Technologies.

Asia’s Greatest Brands and Leaders, an award chosen by consumers and industry leaders, audited by PricewaterhouseCoopers, recognizes the 100 Greatest Brands and 50 Greatest Leaders in Asia and the Middle-East, felicitating them for their corporate and social contributions. Founded in 1999, German Imaging Technologies has been recognized by IDC as the leading OEM-alternative supplier from 2007 and continues to help more than 2,000 customers in 15 countries across the Middle-East and Africa by providing premium remanufactured toner cartridges, printers, leasing, service contracts and managed print services, helping these customers reduce their problems, costs and environmental impact. The company has embarked on a regional expansion strategy and prides itself in delivering a compelling turn-key printing solution in a reliable, responsible and responsive manner.
