

PRESS RELEASE – June 5th 2017

German Imaging Technologies (GIT) is awarded as “Best Business - Technology” by Finance ME.

German Imaging Technologies, the leading printing document solutions provider in the Middle East and Africa, is humbled to be awarded as “Best Business - Technology”.

“GIT has been the industry leading document printing company in the Middle East and Africa for the past 10 years. We are grateful to the organizers, CPI and Finance ME for the recognition of our achievements. This underlines our position as the leading technology company in the market. GIT has relentlessly executed on its vision, invested and expanded domestically and internationally, despite unfavorable market conditions.” declared Dr. Sassan-Dieter Khatib Shahidi, CEO and founder of German Imaging Technologies.

Launched in 2016, the FinanceME Business Vision Awards recognize the best leaders and companies in the Middle-East, felicitating them for their corporate and social contributions. Founded in 1999, German Imaging Technologies has been recognized by IDC as the leading OEM-alternative supplier from 2007 and continues to help more than 2,000 customers in 15 countries across the Middle-East and Africa by providing premium remanufactured toner cartridges, printers, leasing, service contracts and managed print services, helping these customers reduce their problems, costs and environmental impact. The company has embarked on a regional expansion strategy and prides itself in delivering a compelling turn-key printing solution in a reliable, responsible and responsive manner.
